THE THOROUGH BREED

### HORSE—JIM POLK.

WILL be let to Mares, the fall season of 1838, at twenty dollars per mare; those who put last Spring and whose Mares have failed, will be permitted to put this fall gratis. JIM will be always found (with a faithful groom) at the stable of the subscriber, six miles west of Canton. PEDIGREE.

JIM TOLK is a beautiful bay, full sixteen hands high, six years old, was got by Stockholder, dam by imported Lingle, grand dam by Pacolet, g. g. g. dam by imported Menloza; g. g. g. g. dam by imported St. George, &c. &c. Jim's blood is inferior to that of no horse living. As a racer, I have to say that he has started twelve times and has been eight times winner at two and three mile heats. His services are offered thus low to induce my neighbors to try the experiment of breeding their own stock, which experience and observation have proven to me will promote their interest. He will be exhibited on the Canton Course on the 29th instant.

### PROSPECTUS OF THE MACON INTELLIGENCE.

HAVING learned from the public press, that the new paper to be published in the State of Mississippi, will be called the "Macon Gazette," the undersigned propose publishing, in the town of Macon, Noxubee county, Mississippi, a weekly paper, bearing the above title, which will be devoted to Literature, Agriculture and Politics. Every effort will be used to render the Gazette an interesting and worthy of attention, by introducing into its columns the most useful information within our reach.

The distinct line which has been drawn between the two prominent parties of our country, requires a candid view of the political scenes which shall characterize the intermission. From a firm conviction that a National Park is indispensable to a sound character, reputation and its powerful agency in correcting such evils and embarrassments as at present pervade our country, we are determined to advocate its establishment with zeal, and with all the ability we can bring to our aid. We are opposed to the leading measures of the present administration, and will sustain Whig principles.

TERMS.—The Macon INTELLIGENCE

will be printed with good type on handsome paper, and furnished to subscribers at five dollars per year in advance, or six dollars at the expiration of the year.
